

Jennifer Tubbiolo has had a long and "storied" career in the world of publishing.

She received a BA in English from San Diego State University and wrote her senior thesis on children's literature. Her first job out of college was in traditional publishing where she spent 10 years learning the ins-and-outs of the industry.

Since then, Jennifer has become an Amazon bestselling author in young adult fiction with her supernatural series, The Narthex Academy Series. She has ghostwritten several projects, helped other self-publishers write and produce their own books, wrote the script for a recent South Carolina Aquarium commercial, and was part of the writing team for an upcoming animated movie.

Jennifer's favorite authors include Anne Rice, Frank Peretti, Rick Riordan and J.K.Rowling.

Jennifer and her husband, Mickey, live in Mt. Pleasant, South Carolina, with their three children, and three dogs. They are avid New York Yankees fans and love to cook together.
